Sir:

The above-identified application was abandoned for failure to file a complete response to the Notice to File Missing Parts ("Notice") mailed on June 7, 2001. A Notice of Incomplete Reply was not received until November 24, 2003. The entire delay in filing a complete reply from the due date for the required reply was unintentional.

Applicants hereby petition for revival of this application. To continue the prosecution of this application, a Response to Notice of Incomplete Reply and Supplemental Preliminary Amendment is submitted herewith.

It is believed that a fee of \$1,330.00 is due for this Petition. Since this utility patent application was filed after June 8, 1995, no terminal disclaimer is required. Please charge any required fees to Winston & Strawn LLP Deposit Account No. 50-1814. A copy of this sheet is attached.

Respectfully submitted,
